

Schertz-Cibolo OPTI-NEWSZ

Newsletter of the Schertz-Cibolo Optimist Club
October, 2007 - Editor Jack Hopkins

Fellow Optimists,

It has been a pleasure serving as club president this past year. Although our club is small in numbers, I feel like we have accomplished a lot to help the community this year, and it's all because of the great efforts of our club members like you. Thanks to all of you for helping to make this a special year for our club. I'm especially proud of our work on the new youth recognition award which will recognize at risk students in our community who are working hard for improvement. The ball is in motion at both Corbett and Dobie for this program, and our first round of awards will be presented this December to 8 hard working students. We have decided to call the award the "Optimist Achievement Award".

I am also excited to welcome 3 new members to our club. Donna and Bill Turner invited their son and daughter-in-law, Sammy and Lisa Turner, to join us - looks like we'll have another Optimist baby soon too! We're also excited to have a second generation Optimist, Dr Rene Ramon, who joined us during the Optimist banquet. We look forward to their contributions to our club and the community.

Schertz Cibolo Optimist Club will also earn Distinguished Club status for the year. Al Randez and Jack Hopkins recently helped start a new Optimist Club in Stone Oak, and as a result our club has been named as the sponsoring club. This will allow us to earn Distinguished Club status for the year which is awarded to clubs who help start a new club and are plus one in membership by the end of the club year. Special thanks to Jack and Al as well as our new members for helping our club earn that distinction. Fay Hopkins is running for South Texas District Governor. Elections will be held in October, and we will be supporting her efforts to win that race with club votes. She and Jack do so much for our club and Optimist, and I know she would make great strides for Optimism leading our district.

Last but not least, I am excited to pass the torch to someone who I know will do an outstanding job as club President - Denise Andabaker. Denise's term will begin in October, so she will be running her first meeting on Monday, October 1st. Denise has made some great contributions to our club over the last year, especially in regards to the Optimist Achievement Award. Denise has a lot of passion for helping kids and our community, and I know she will do a great job of bringing our club to a new level. Thanks again to all for helping to make a difference!

--Alex Hartman, Past-President
