

Oratorical Contest

2016-2017 Club Chair

Planning Guide

Purpose

Since its start in 1928, the Oratorical Contest has become the longest-running program sponsored by Optimist International. The contest is designed for youth to gain experience in public speaking and provide them with the opportunity to compete for a college scholarship.

Club Contests

A Club may be represented by only two qualified contestants. If the District decides in advance to hold combined gender contests, the representation to the next level from each Club in that District can be two boys, two girls or a boy and a girl. If the District decides in advance to hold separate gender contests, the representation from each Club to the next level will be one boy and one girl only.

District Contests

Districts may choose to hold combined gender or separate gender contests. The decision must be made during the fourth quarter District conference. There is no minimum or maximum number of years a District must hold their selected type of contest. Clubs, Zones and District Regions are required to conduct the type of contest chosen by the District.

Regionals/World Championships Contests

Districts may enter one contestant into the Regional/World Championships Contests held June 15-16, 2017 in St. Louis, Missouri.

How to Enter

Interested youth should prepare a 4 to 5 minute speech on the assigned topic to be presented at their local Optimist Club's contest. The speeches are judged at the Club level, Zone level, District Regional level (if needed) and then at the District level.

Eligibility Criteria

The contest is open to youth under the age of 18 as of October 1st of the current Optimist International Contest year (October 1 – September 30). For 2016-2017, contestants must still be 17 as of October 1, 2016.

Topic

“What the World Gains from Optimism”

Minimum Number of Participants

There is no minimum required number of participants for Club Contests. Combined gender Zone, District Regional and District contests must have no fewer than three participants. Separate gender Zone, District Regional and District contests must have no less than six participants (three boys and three girls).

In cases where the minimum number of 3 contestants at the Zone or District Regional contest cannot be met, there are two options:

- A. Send winners directly to the next level of the contest. If your Zone or District Regional competition has at least 3 contestants of one gender, you can hold the contest for that gender and send the winner on to the next level. Again, if there are less than 3 contestants for either gender, please forward them to the next level of competition.
- B. Combine Zone or District Regional level contests.

Contest Deadlines

Club contest date is set by the Club Chair, once the Zone and District dates have been obtained. Zone contest date is set by the District Oratorical Chair with the Lieutenant Governors to occur prior to the District contest date.

The District contest date is set by the District Oratorical Chair. The deadline to submit District winners to Optimist International is **May 15, 2017**.

District winners will be notified by a letter from Optimist International between May 30th and June 15th. Districts should notify the Programs Department if they would like winner notification to be delayed.

Prizes

Scholarships are awarded to students in the United States and the Caribbean in US dollars and in Canadian dollars for Canadian students.

Club Level - medallion

Clubs are allowed to give monetary/cash* for the Oratorical Contest in addition to the official medallions. A Club level award may be given in the form of a scholarship, savings bond or cash prize but is completely discretionary. Please contact the Optimist International Foundation or Canadian Children's Optimist Foundation for setting up a Club scholarship.

* Disclaimer - Clubs planning to present cash or savings bond awards to student winners should first consult the association for their state or province that coordinates scholastic activities and competitions to determine if such payments would result in the recipient's forfeiture of amateur status. If a student loses their amateur status, they may be unable to compete in collegiate athletics and activities.

Zone and District Regional Level – plaque. Certificates may be created by the Zone or District and templates are available on www.optimist.org.

District Level - plaque and a college scholarship

Districts should order plaques directly from Shumsky or Ansell in Canada.

Scholarship amounts may vary. Combined gender Districts may award two \$2,500 scholarships or one each in the amount of \$2,500, \$1,500 and \$1,000. Districts with separate gender contests award each boy and girl first-place winner a \$2,500 scholarship.

Districts choosing to increase funding for the scholarships or fund additional scholarships will need to manage those funds through other resources. Optimist International will not handle the awarding of any scholarships not funded by the Optimist International Foundations. The responsibility for record-keeping and awarding of additional funds or scholarships will be the Districts. Districts may choose to hold the additional funds in District accounts or contribute those funds to the Optimist International Foundations. Individual donors and Clubs will receive lifetime credit for gifts for increased or additional scholarships.

The Foundations will process requests from the Districts to have scholarship funds returned to them. Requests must be in writing and specify the type of scholarship and the amount. The Foundations will not award the scholarships or write checks to

the individual scholarship recipients or their schools.

Regional / World Championships – Scholarships are awarded to each Regional winner in United States dollars (unless otherwise stipulated) in the amount of \$5,000. In addition, scholarships in the amounts of \$15,000, \$10,000, \$5,000 will be given in US dollars to US, Caribbean, Global winners of the first, second, and third place World Champions, respectively. An additional scholarship may be awarded to participants by Saint Louis University at its discretion.

Each Regional winner and World Champion will receive a certificate of participation. The first place World Champion will have his/her speech presented to the delegates of the Optimist International Convention.

Getting the Contest Started in Your Community

Your Club can approach local schools to distribute information and coach interested students in preparation for the Club level contest.

The program is recommended by both the **National Association of Secondary School Principals** and the **American Association of School Administrators**.

This endorsement can go a long way when your Club is requesting that principals and teachers offer this program to their students.

- Contact the Department of Education and get a contact name for home-schooled students.
- Contact your local private and parochial schools.
- Contact your local PTA/PTO president to distribute information to parents at their next meeting.
- Contact local youth Clubs such as Boy/Girl Scouts and Big Brothers/Big Sisters.

Be sure to supply everyone you contacted with a Club Member's name and phone number.

Judges' Criteria and Duties

Select three qualified judges who are not acquainted with the contestants. At the Club level, the judges may be Optimist Members. At all other levels of the competition, judges must be non-Optimists (Friends of Optimists are excluded and can be used as judges). Judges should have expertise in the field of public speaking. Always have a back-up judge, just in case someone gets sick. Judges are also potential new Members, so don't forget to recruit them! The same judges should judge both the girl and boy contests. Consider using past Oratorical Contestants, retired debate, speech, or drama teachers, and community business leaders.

The Oratorical Contest Chair should supply each judge with a

copy of the rules and the judging forms. Judges should never discuss or compare their impressions of the speakers or their scores. Each judge must score independently from other judges and Optimists. No one is permitted to view the scores except the Oratorical Contest Chair.

Timekeepers

One timekeeper should be appointed. This person can be an Optimist Club Member. The timekeeper is responsible for recording the official length of each speech and assessing penalties if needed, noting failure to announce the topic, verbal identification of non-original material as noted in the printed copy of the speech and totaling all penalties on the timekeeper's score sheet. The timekeeper will need the official form, pen, stopwatch and a copy of each participant's speech. The completed timekeeper's score sheet is turned in to the Contest Chair to be included in the master scores of each speaker.

Handling Protests

A Sergeant-at-Arms should be the contact for protests and given index cards and pens/pencils to distribute when necessary. Anyone who wishes to protest should raise their hand at the completion of the student's speech before the next speaker begins. The Sergeant-at-Arms gives the person protesting an index card and pen/pencil. The protest must be written on the card. The Sergeant-at-Arms collects the card as soon as it is completed. This process is repeated for any person who wishes to make a protest. The Contest Chair collects the protest cards before leaving the room to compile scores. Protests are addressed at that time by the Chair and decided. Any adjustments judges need to be aware of will be made at that time. This procedure allows the students to compete without interruption or embarrassment, allows for an accurate description of the protest to be reviewed and should prevent any disturbance or public discussion.

Videotaping Guidelines

All Oratorical contests must be conducted live, not judged on videotape. However, you may allow for the use of one video camera at a contest to give participants a take-home copy of their speech. Each contestant shall have the option of having the camera off during his/her presentation. An Optimist Club Member should run the camera. A tape supplied by the Club or contestant is put into the camcorder at each break between speakers. The tape should be labeled with the speaker's order designation. When the speaker is finished, the tape is removed and a new one is inserted. This process is repeated for each child who wants a copy of their speech. A master copy could also be recorded of all speakers, then copied for contestants. This gives everyone the chance to have a copy of their speech, and allows the contestants to make their speech with minimal interference.

The District Oratorical Contest Chair is responsible for all phases of the Oratorical Contests in the District.

Instructions to Judges

The contest scoring has been divided into four phases. The general intent of each phase is as follows:

1. Poise20 points

2. Content of Speech35 points

(Subject Adherence, Theme, Logic, Content, Color)

In this category just the material and its organization as presented by the contestant should be judged. A judge should consider the importance of adherence to the subject of the speech, the proper introduction and the logic and coherent development of the theme which brings about a successful and adequate conclusion. Figures of speech, similes, metaphors, colorful choice of words and zestful, descriptive phrases are important qualities.

3. Delivery and Presentation35 points

(Voice, Pronunciation, Enunciation, Gestures, Emphasis)

Delivery and presentation shall be judged on several factors. Voice quality should be recognized in tone, pitch and volume. Delivery should be continuous without hesitation or halting. Enunciation and pronunciation are most important. Gestures should be appraised for frequency, nature and effectiveness. Desire to be convincing should be obvious and emphasis should be well placed and dynamic.

4. Overall Effectiveness10 points

(Appeal, Impression, Attitude, Effect)

In this category the overall impression created by the speaker and the speech should be rated. In this phase of scoring, the general overall impression is given actual point values. While it must not be used as such, it is in making this particular score that a judge would most closely approach a conclusion that would actually rank the contestants in his or her own opinion.

Penalty Explanations

- A. **Use of props, costumes, etc.** - The use of props, special costumes or clothing or the use of teleprompters will not be permitted. The penalty is disqualification. Notes and lecterns may be used if the speaker desires to do so.
- B. **Self-identification** - To eliminate any potential bias or prejudice, no reference can be made that identifies the student, parents, school, community, sponsoring Optimist Club or District. This will result in a deduction of 5 points or a fraction of based on the degree of self-identification.
- C. **Time penalties** - The time limit for speeches is not less than 4 minutes or over 5 minutes in length. Contestants going over or under the time limit will not be cautioned, but will be penalized one point for each 15 seconds or portion thereof over or under the limits. These penalties will be determined by the timekeeper.
- D. **Failure to announce the official topic at the beginning of the speech** - To assist the timekeeper in establishing a uniform starting time, all contestants must express the official topic of the speech before beginning the speech. A 3-point penalty must be assessed by the timekeeper for failure to state the official topic.
- E. **Failure to complete the speech.** Each contestant must complete the entire speech. The penalty is disqualification.

Official Report Form

For all Club Contests

The Oratorical Contest Chair should check the math for each contestant's score. Enter the final point grades and ranks on this report form. The Contest Chair should announce the results from this form. For preliminary contests, the Chair will name by letter the two or three best contestants without announcing first, second or third-place. For final contests, the Chair will name by letter the third, second then first-place winner.

Contestant's Speaking Order	First Judge		Second Judge		Third Judge		Total of Point Grades	Total of Rank	Place
	Point Grades	Rank	Point Grades	Rank	Point Grades	Rank			
A									
B									
C									
D									
E									
F									
G									
H									
I									
J									

To determine rank in Club contests, each judge ranks the speakers as 1, 2, 3, etc., according to their scores. Ties are not permitted. At the end of the contest, the Chair collects the judges' score sheets and checks the math. The point grade and position of rank for each contestant is entered on this form. The winning contestant is then determined as follows:

1. If any contestant is ranked first by a majority of the judges, he or she is automatically declared the winner.
2. All other contestants are ranked by the "total of rank" system. This means that the rank, not the points each judge has given each contestant, is added and this figure is placed in the Total of Rank column. First-place is determined by this means also, if no one qualifies under the method explained in #1 above. The lowest total wins first-place, the next lowest wins second-place and so on.

3. If a two-way tie results for any place, it is broken by a preferential vote. Using the rankings given on the ballots, a tabulation is made on the number of judges who placed one of the tied contestants higher than the other. Example: Two contestants, speakers D and H, are tied for third place and each has received a rank of nine.

Speaker H would be declared the third-place winner as two judges (#2 and 3) ranked H higher than speaker D, who would be ranked fourth in the contest.

4. If a three-way tie results by the total of rank system, then and only then, are the point grades for each contestant totaled to break the three-way tie.

Caution: Scores and rankings should be checked by a second person to ensure accuracy, but remember this information is confidential! Announcing winners incorrectly can be disastrous!
