#### Who We Are:

The Women's Philanthropy Council was formed to support the work of the Optimist International Foundation.

Members reach out to women as donors and help shape their philanthropy.

It is not surprising that women bring a different perspective to their giving than men do. Research shows that women tend to give where they believe they make a difference with their gift regardless of the amount of the gift.

The giving circle of the Women's Philanthropy Council funds our work in conjunction with the Optimists across the US and in the Caribbean.

## The giving circle of the Women's Philanthropy Council begins with an annual gift of at least \$100.
