Hobbies

He enjoys playing golf; tennis, chess, video games, running and reading mystery, history or science fiction novels. He enjoys taking field trips to diverse Universities and College such Texas A & M – College Station and Texas University at Austin and attending their workshops (Medals, Whooping Weekend, Aggie Shadows, etc.) He enjoys selling beef jerky to friends and family to raise money for college tuition and supplies. He enjoys learning new methods of programming and developing programs. He enjoys viewing new ways in which to create and experiments with developing new websites.

Future Plans

He hopes to one day attend Texas A & M – College Station and major in Computer Science, with a dream of one day being a lead designer/programmer in developing games for Electronics Arts. His second and third choice of colleges are Texas University at Austin and Collins College in Arizona.
